

## **Part-term attendance and payments**

Members generally enrol for a full term, however circumstances may lead to requests for part attendance and/or refunds. This creates problems for staging concerts, managing rehearsals, and administration. The Trustees have agreed that part term fees are not usually available.

Where a member cannot attend because of circumstances beyond their control - eg an accident or illness - they can request that their fees be carried over to another term on compassionate grounds. The request should be made to the Treasurer (TreasurerAddison@gmail.com).

Any request must be agreed by the Treasurer who will ask two other Trustees for their agreement. (the Chair/Secretary and one other).
